

Bluestone Commercial Capital is pleased to announce its collaboration with Madison Trust Company. This relationship will allow tax-advantaged funds from Self-Directed Individual Retirement Account (IRA) to be invested with Bluestone.

“Allowing investors to use a tax-deferred vehicle to invest with Bluestone is an enormous advantage for both the investor and the communities we serve. The investor receives or reinvests tax-free income and Bluestone puts that new capital to work by extending much needed credit to local small businesses.”

Matt Zonies, President Bluestone Commercial Capital
